

# If you have a CSCS CRO card, you need to get ready for the changes

**IMPORTANT NOTE:**  
In most cases applicants must pass the relevant CITB HS&E test before applying for, or renewing a CSCS card.  
Visit [www.cscs.uk.com/test](http://www.cscs.uk.com/test) for further information.

Before you ring ensure you have a credit or debit card to pay £30 for the card and your current or previous employer's details including contact name, company name and telephone number.

If you are applying for a card that requires evidence of a qualification, please email it to [cscs@citb.co.uk](mailto:cscs@citb.co.uk). You will need to call us within 5 working days of sending copies of your qualification as our system automatically deletes emails after this time.
