

Verify cards digitally using CSCS Smart Check

CSCS Smart Check is a simple and secure way to ensure every worker's card is:

-  **A genuine card**
-  **Valid and in date**
-  **Right for their role**

Reduce the risk of fake or fraudulent cards and keep your site safe using CSCS Smart Check – available via app, website and an API for site access and induction systems.

Visit CSCSSmartCheck.co.uk to verify a card
